From

RAO BAHADUR M. SHAMA RAO, Esq., M.A.,
Inspector-General of Education in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,

SIR,

B a n g a l o r e .

I have the honour to bring to the notice of the Government that communications from Mysore Stipendiary students residing in foreign countries are sometimes addressed to the Inspector General of Education, sometimes to other Heads of Departments and occasionally to Government direct. The same subject being thus handled by different officers is found often to lead to some confusion. I am of opinion that it may be made a rule that all communications in the case of the foreign scholars should be addressed to me, or if they are addressed to other officers such communications may be transferred to this office for action.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shama Rao
